IN THE BOROUGH OF BARNEGAT LIGHT**

The Borough of Barnegat Light is seeking Competitive Contracting Proposals pursuant to N.J.S.A. 40A:11-4.1, et seq., from a revaluation firm for revaluation of real property in the municipality.

As of April 3, 2025, the Borough has approximately 1,296-line items: approximately 47 commercial properties, 45 retail/office and 2 apartments, 1,206 residential properties, 43 vacant land properties, 59 exempt properties, and 1 public utility (see Appendix A). The prospective revaluation companies are urged to tour the Borough prior to submitting a proposal. Work shall be completed in a timely manner in order to be filed for the 2026 Tax List or the 2027 Tax List in the event there are no responsive bidders for the 2026 deadline or in the event State approval of the tax map renders the 2026 deadline impossible. Bidders can bid on 2026 deadline and/or the 2027 deadline. In the event the 2026 deadline is awarded and cannot be accomplished due to delays in conditional tax map approval, the Bidder's 2026 deadline bid shall control with the exception that the 2027 deadline shall control.

All Competitive Contracting Proposals shall conform to the specifications and to the standards set forth in the laws of the State of New Jersey and the Directives of the Director, Division of Taxation, and Department of the Treasury.

It is understood by the Bidder that this proposal is submitted based on specifications prepared by the Borough and the fact that any Bidder that is not familiar with these specifications or conditions will not be accepted as an excuse.

The following specific factors will be used in reviewing the Competitive Contracting Proposals and determining which proposal is most acceptable to the Borough; cost of the proposal, experience of Bidder, location of Bidder in relation to the Borough, experience and certification of operation level personnel, the firm's ability to begin the contract in a timely manner, knowledge of the municipality, information obtained from other municipalities pertaining to the performance of the Bidder, experience and training of employees, and experience with revaluations in municipalities of similar in size and scope.

Competitive Contracting Proposals are to be submitted in triplicate to the Borough of Barnegat Light' Purchasing Agent, Kathleen Flangan, 10 East 7th Street, Barnegat Light, New Jersey 08006, **no later than 10:00 a.m. on May 9, 2025.** NO COMPETITIVE CONTRACTING PROPOSALS shall be accepted after that time. Names of revaluation firms and cost proposals will be read publicly at that time.

The Borough reserves the power to make such investigations as it deems necessary to determine the ability of a firm to perform the work, and the firm shall furnish to the Borough all such information and data for this purpose as the Borough may request. The Borough reserves the right to reject any proposal if the evidence submitted by or the investigation of such firm fails to satisfy the Borough that such firm is properly qualified to carry out the obligations of the contract and to complete the work contemplated therein.

The Borough intends to award a revaluation contract to the firm it deems most responsive and will provide the most comprehensive and the highest quality of service to the Borough inclusive of fee considerations. The Borough reserves the right to accept other than the lowest price offer and to reject all Competitive Contracting Proposals that are not responsive to this request.

**CERTIFICATE BUSINESS REGISTRATION**  
**(P.L. 2004, c.57)**  
**(N.J.S.A. 52:32-44)**

All business organizations that do business (i.e. compete for or enter into a contract) with a State, County or Local Contracting Agency are required to be registered with the State and provide proof of their registration to the contracting agency. Proof of valid business registration shall be in the form of a Business Registration Certificate issued by the Department of the Treasury, Division of Revenue. Information on how a business can obtain a certificate is located on the Internet at [www.nj.gov/njbgs](http://www.nj.gov/njbgs) or by telephone at 609-292-1730. The purpose of the registration is to ensure that all businesses and their subsidiaries receiving government contracts pay appropriate sales, use, and other taxes. A contractor and its subcontractor(s) must collect and remit to the Division of Taxation the use tax pursuant to the Sales & Use Tax Act on all sales of tangible personal property delivered into this State. Notice of these requirements must be provided in bid specifications, requests for proposals and any other documents notifying potential contractors or procurement opportunities.

Business registration is required for any contract in excess of \$6,600 (15% of \$44,000) for municipalities with Qualified Purchasing Agents.

A contracting agency shall not enter into a contract with a business organization unless it has received proof of the business registration at the time of the bid or the proposal submission, in response to a request for bids or proposals. For all other transactions, the proof of business registration must be received prior to the issuance of a purchase order or other contracting document.

All public contractors submitting bids for public work must submit a copy of their proof of business registration with their bids. Bidders must also obtain and submit proof of registration from those subcontractors at all levels (tiers) if the specifications require the subcontractor to be listed or named in the bidder's submission. Proof of valid business registration must be provided by the bidders and their named subcontractors at all levels (tiers) at the time the bid or proposal is officially received and opened by the contracting agency if required by the specifications. Failure to submit proof of registration is considered a mandatory rejection of bids and is non-waivable by the contracting agency.

The contractor shall provide written notice to its subcontractor and suppliers of the responsibility to submit proof of business registration to the contractor. The requirement of proof extends down through all levels (tiers) of the project. After the award of a project, the contractor has the obligation to obtain proof of registration from each subcontractor or a supplier on the project (in addition to those listed or named in the bid submission) and file proof of their business registration with the contracting agency prior to receiving final payment.

If there are no subcontractors on a project, the contractor must certify to that effect.

The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the *owner shall* expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

**RECITALS**

**WHEREAS**, the Borough has been required by Ocean County to revalue all the lands, buildings, and improvements contained within the Borough’s boundaries, and, therefore, requires the engagement of the service of the Contractor to render necessary advice and assistance in the said project; and

**WHEREAS**, the Contractor has offered to render such services to the Borough and has been awarded the contract pursuant to the Local Public Contracts Law; and

**1. CONTINGENCY, AWARD, PROPOSALS, AND DEADLINES**

1.01. Contingency. This Agreement is contingent upon approval of the Director of the Division of Taxation and shall not be effective until such approval is noted on the approval page provided within this Agreement. In the event that the Division of Taxation declines to approve this Agreement for any or no reason, this Agreement shall be null and void.

1.02. Competitive Contract Award. The award shall be made to the bidder whose response is most advantageous, price and other factors considered in accordance with the Local Public Contracts Law. Specifically, the following specific factors shall be used in reviewing the competitive contracting proposals and determining which proposal is most acceptable to the Borough: cost of the proposal, experience of Bidder, location of Bidder in relation to the Borough, experience and certification of operation level personnel, the firm’s ability to begin the contract in a timely manner, knowledge of the municipality, information obtained from other municipalities pertaining to the performance of the Bidder, experience and training of employees, and experience with revaluations in municipalities similar in size and scope.

1.03 2026 and 2027 Proposals and Deadlines. In the event there is an award made for the 2027 tax year deadline because no qualifying responses were received for the 2026 tax year deadline, the 2027 proposal terms and deadlines shall control. In the event there is an award for the 2026 tax year deadline because the State map is not approved with sufficient time to complete the revaluation for the 2026 tax year deadline, the 2026 proposal terms shall control, but the 2027 tax year dates and deadlines shall control.

1.04. Commencement Date. Services shall commence no later than 10 days from receipt of Borough Tax Maps approved by the State of New Jersey, or contract award, whichever occurs first. The tax maps may be “conditionally approved” which shall be considered acceptable for the use in the valuation process and to commence the services.

Any confidential information supplied to the revaluation firm in connection with this program shall remain in possession of the prevailing Bidder and not be subject to the Open Public Records Act (N.J.S.A. 47:1A-1, *et seq.*). At the conclusion of the program all such information shall be turned over to the Borough.

3.03. Work, Payment Schedules, and Retainage. Upon award of this Agreement, the Contractor shall provide to the Assessor a work schedule and plan of operations, which shall be compliant with the deadlines set forth in the specifications and may be reasonably revised at the discretion of the Assessor. The Borough shall prepare, at its discretion, a payment schedule based on the completion of the various facets of work set forth in the work schedule and plans of operation. The payment schedule will follow a monthly statement procedure and payment shall ONLY be made for work completed. Payments to be made to the revaluation firm shall be calculated by applying the appropriate dollar value to the work completed and accepted by the Assessor. All payments shall be subject to a ten percent (10%) retainage deduction. The revaluation firm will supply the format to be used for invoicing, which must be approved by the Borough. All bills will be approved by the Borough of Barnegat Light at regularly scheduled council meetings. Five percent (5%) of retainage will be released once the 2026 Tax List or 2027 Tax List, as determined by the specifications and award, is certified by the Assessor. Three percent (3%) of retainage shall be released after first year of county level tax appeals are completed. Balance shall be released after all county-level tax appeals are completed.

Analysis shall include sales ratio studies and development of general, segmented, and stratified coefficients of deviation and other such spreadsheet analysis deemed appropriate.

12.08. Liquidated Damages. The Contractor acknowledges and expressly agrees that in the event Contractor fails to timely and/or properly complete the project in accordance with the conditions of the project that the Contractor shall pay the Borough \$500.00 for each day the Contractor is in breach as liquidated damages, beginning on the date of the Contractor's breach and continuing each day thereafter. The Contractor further acknowledges and agrees that the actual losses arising from the Contractor's breach are inherently difficult to quantify given the nature of the project, the foregoing agreed-upon sum does not constitute an unenforceable penalty, the foregoing sum is a reasonable measure of damages, the sum is reasonable based upon the Contractor's experience in the industry, and the sum is reasonable given the nature of the losses that may result from any delay to the project. The liquidated damages provisions shall not apply in the event of any delay to the project caused by the Borough.

12.09. Severability. If any term of this Agreement or the application thereof to any extent be held invalid or unenforceable, the remainder of this Lease, or the application of such term to the parties or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

12.10. Governing Law. The parties acknowledge that this Agreement was prepared under the laws of the State of New Jersey, and, therefore, that this Lease shall be interpreted under the laws of the State of New Jersey.

12.11. Confidentiality. Disclosure of appraisal information to any individual, company, or corporation, other than the Assessor, the Borough, or their authorized representatives is expressly prohibited, and if done before conclusion of this project will be considered a violation of the Agreement. It is understood that this does not refer to information released as required by law.

12.12. Alternate Dispute Resolution and Venue. In the event that any dispute arises between the parties that the parties cannot themselves resolve in a reasonable period of time, such reasonable period being defined as a period which will not unduly interrupt or delay the work being performed

by Contractor, the dispute shall be submitted to binding arbitration to be conducted by JAMS and shall be governed by the JAMS Comprehensive Arbitration Rules & Procedures and the laws of the State of New Jersey. Each party shall pay one-half of the JAMS costs. The alternative dispute resolution practices required by this section shall not apply to disputes concerning the bid solicitation or award process, bid withdrawal, or to the formation of contracts or subcontracts to be entered into pursuant to N.J.S.A. 40A:11-1, *et seq.* Nothing set forth herein shall prevent any party from seeking injunctive or declaratory relief in the Superior Court of New Jersey in Ocean County at any time. Each party shall bear its own attorney's fees and costs arising out of any such dispute and/or litigation arising out and/or relating to the terms of this Agreement.

12.13. Counterparts. This Agreement may be executed in counterparts, and multiple copies of this Agreement may be executed, each of which, however, shall be one and the same document. Facsimile signatures shall be binding to the same effect as originals and the parties agree to be bound thereby and to waive any argument that such facsimile signatures are invalid.

12.14. Binding Effect. The terms of this Agreement shall inure to the benefit of, and shall be binding upon, the parties' successors.

12.15. Amendments. This Agreement may not be amended, altered, or modified in any manner except in writing signed by the parties.

12.16. Construction. The Contractor acknowledge that it voluntarily elected to bid on this project with the full knowledge of the terms and conditions of this Agreement, and, therefore, waive the defense of *contra proferentem*, i.e., that this Agreement or any part thereof may be ambiguous and therefore construed against any party as the drafter thereof.

12.17. Entire Agreement. This Agreement, the bid specifications, and Resolution comprise the entire agreement and understanding between the parties and it is acknowledged that there is and supersedes all previous understandings and agreements between the parties, whether oral or written. The parties hereby acknowledge and agree that they have not relied on any representation, assertion, guarantee, warranty, collateral contract or other assurance, except those set out in this Agreement. The parties hereby waive all rights and remedies, at law or in equity, arising or which may arise as the result of a party's reliance on such representation, assertion, guarantee, warranty, collateral contract, or other assurance.

12.18. Waivers. Any failure or delay in the enforcement of any of the provisions of this Agreement by either of the parties shall not be construed as a waiver of those provisions.

12.19. Election of Remedies. Neither the exercise of nor the failure to exercise a right or to give notice of a claim under this Agreement shall constitute an election of remedies or limit any party in any manner in the enforcement of any other remedies that may be available to such party, whether at law or in equity.

12.20. Authorization. The parties represent and warrant that they possess the authority to enter into and be bound by the terms of this Agreement.

12.21. Notices. Any notice, request, instruction, approval, consent, or other communication to be provided hereunder by parties shall be deemed validly given, made, or served if in writing and delivered personally (as of such delivery) or sent by certified mail (as of three days after deposit in a United States Post Office), postage prepaid, or by facsimile or email followed by telephone confirmation, or overnight courier service charges prepaid (as of the date of confirmation of receipt), and shall be given to either party at its respective addresses set forth below, or to such individual or address as a party hereto may designate for itself by notice given as herein provided.
