

MEETING OF MAYOR AND COUNCIL
April 9, 2025

THE CAUCUS MEETING of the Mayor and Council was called to order by Mayor Larson at 4:30pm at the at the Barnegat Light Borough Hall, 10 East 7th Street, Barnegat Light, NJ. He stated that adequate notice of this meeting has been provided in accordance with the New Jersey Open Public Meetings Act. Notice of this meeting was posted on the bulletin board in Borough Hall and was advertised in the Asbury Park Press and Beach Haven Times on January 23, 2025.

ROLL CALL: Spark, Wellington, Gutowski, Reynolds, Foley and Mikuletzky
Also present: Mayor Larson, Terry Brady, Sponge Washburn, Kathleen Flanagan and Brenda Kuhn

Discussion:

Mayor Larson said that the budget was being introduced and asked council if anyone had any problems with the 2025 budget. Everyone was okay with it so they moved onto the next topic.

Mercantile and Landlord registrations were discussed. Each council member had a packet with examples of the registration forms from another island town.

Mayor Larson started the conversation with mercantile registration. He emphasized that it is now a state requirement. Council members asked many questions regarding this requirement.

Reynolds inquired if we had a choice to do it or not to do it. Gutowski said that is state mandated.

Foley asked if this was for every store and every duplex. the Clerk explained that the mercantile is just for businesses and landlord registration is for all rentals. All are required to provide the Borough with liability insurance.

Gutowski asked if every municipality makes their own application format and the Clerk responded yes.

Spark expressed that some of the items on the sample application were ridiculous. One of his concerns was that it wasn't anyone's business if the property owner had a mortgage on the property. The Clerk said that we can make the application to fit our town. Sponge said that this was just an example and we can format our application to include whatever we want.

Wellington wanted to know exactly is the state mandating. Washburn said that we have to get the proof of liability insurance. Wellington stated that we should make it simple and just ask for liability insurance and not charge any fees. The Clerk pointed out that having the knowledge of what type of business it is and what goods are being sold would also be a benefit for zoning because it would be known what they are selling but the fees would be up to the council. She went on to say that we would have to identify every business and there would be administrative costs involved. Wellington expressed his concern about charging fees and suggested to just make a mercantile application with business name and submit liability insurance. Why do we need fees, we only have 28 business in town, how big of a problem is it going to be?

Mayor Larson pointed out that there may be a problem with the business that they don't conform and they don't come in. He asked Flanagan how it works in Ship Bottom. She explained that the Clerk sends out a mailer and lets them know that their mercantile license is due. The application includes owner, mailing address, email address and certificate of insurance. There's a fee for registration and a late fee. If a business changes and they don't have to go the zoning board, it's not a change of use. With the registration we know what type of business is going to be conducted there and we have the insurance.

Mayor Larson said this is just a round table discussion and we should plan on implementing this January 1, 2026. Flanagan said that gives you time to work out what exactly what council wants. Someone asked if the fishing vessels were included within this law.

Terry Brady changed the topic to landlord registration, which he said he was more familiar with. He said that every town has to do it. Gutowski asked about the registration form. The council had an example from another town and had questions for the attorney, such as, what information has to be included, how would we notify everyone that has a rental property. Wellington said, do what Brenda suggested, come up with a letter to let the public know what's happening and an appropriate registration form, mail them out to all properties and after that, it's on them. Other council members suggested to put the requirement on the website, signboard and notify the Taxpayer Association President.

The mayor mentioned that there was a meeting tomorrow at 10:00am with County Officials regarding the 14' building height.

Reynolds asked if the Planning Board will be doing Affordable Housing next Wednesday and the Mayor said yes.

Mayor Larson asked for a motion to close the Caucus.

On a motion by Foley, seconded by Reynolds and carried by all the Caucus Meeting was closed.

THE MEETING of the Mayor and Council was called to order by Mayor Larson at 4:30pm at the at the Barnegat Light Borough Hall, 10 East 7th Street, Barnegat Light, NJ. He stated that adequate notice of this meeting has been provided in accordance with the New Jersey Open Public Meetings Act. Notice of this meeting was posted on the bulletin board in Borough Hall and was advertised in the Asbury Park Press and Beach Haven Times on January 23, 2025.

Tim Brindley, 1404 Bayview Avenue, said that the flags were half mass for the passing of his father-in-law and proceeded to talk about his life and history in Barnegat Light.

Cricket Luker, Wildflowers, proposed a community art project. The intention of this project is to preserve history through art. Artists will do paintings of historic Barnegat Light buildings on 4x4 sheets of plywood and she would like to display them throughout the town. She suggested to display them throughout the town in places such as, the pavilion, outside fence of the park, the side yard at Borough Hall and beach pathways. She mentioned dog park project, which was done in 2013. The artists painted dog pictures with exterior paint. The dog paintings get displayed each year and put away for the winter. Cricket asked for to secure a place to put them and was open to discussion. The mayor said this will need more discussion and he couldn't give her an answer tonight. Terry Brady said to check with the Zoning Officer.

Rich Brodman, 4 East 10th, Barnegat Light Taxpayers Association., begin year on May 25th with their wine and cheese party. The 1st general meeting will include the County Administrator speaking about taxes. Three County Commissioners will talk about how the tax dollars come back to the town. Jeff Jorda, 2807 Central Avenue, said that he walks on the beach every day and asked if the dead birds ever get picked up and he saw 13 the other day. He also mentioned dog poop on the beach.

Rich Brodman, 4 East 10th, asked if there was any thought from the council regarding the bike repair station because he had opposition from Wellington. Wellington didn't think it's appropriate for our town but if they have to put one in, it would be better centrally located. An air compressor was another idea for a donation.
