

Barnegat Light Volunteer Fire Company #1

907 Central Ave, Barnegat Light NJ 08006

Barnegat Light Volunteer Fire Company #1 is a 100% volunteer fire company that serves north end of Long Beach Island. We respond to structure fire, brush fires, boat and vehicle fires, rescues, fire alarms, CO alarms, water rescues, ice rescues, along with assisting EMS. We respond any time, any day, any season and in any type of weather. We rely on the support and donations from our local communities. We have our annual T-shirt and other fire co merchandise sale every Sunday Memorial Day through Labor Day at the firehouse 8am-12pm and all year round online on our store. All donations go directly into funding our new truck, purchasing vital equipment and gear and on training to make sure our members are prepared for any type of situation. We are always looking for members, stop by the firehouse during our monthly meeting the last Thursday of the month at 7:30 to get an application. Active firefighters 18+, fire police 18+, junior firefighters 16-17, administration and the ladies auxiliary. We greatly appreciate all support that allows us to continue our life-saving operations.
