Mayor Wellington discussed an issue that occurred during the recent flooding and stated that cars were traveling at excess speeds along Bayview Avenue and creating wakes. He explained that other municipalities have ordinances that allow police to enforce these actions. Barnegat Light does not currently have an ordinance that would allow enforcement. Mayor Wellington recommended that the matter be discussed during caucus at the next regular meeting.

Mayor Wellington also mentioned that he has received complaints regarding residents disposing of their household trash in public street end receptacles rather than in their own receptacles. He stated that this may also need to be addressed in some way and suggested possibly sending a letter to resident's asking them to refrain from disposing of trash in this way.
